<p>It absolutely poured out of the heavens including hail stones for the boys' first game of the season, but this didn't stop them from enjoying the game. They all played extremely well, and stuck to their instructions and as their opponents drew with each other, they won outright. Two great goals from Joe Wooldridge, who was non-stop running and closing down the opposition. The boys haven't had a lot of time to play as a team but they certainly looked like they had been playing as a team for a while. Some lovely touches and play from St. Piran's. Well done boys; can't wait for the next match.</p>
