Inspiring Confidence

MATCH REPORT

Date of Match 13/09/2017	Sport and Opponents Hockey vs Hall Grove	Team U10B
Result Lost 1-0	Coached by Mrs Cartwright	
<p>This was a good start to the hockey season for the U10B's. They showed a good level of skill and confidence on the ball, working well to stop many attempts from Hall Grove. At the start of the game, they were a little tentative when making tackles and often relied on 'shovelling' the ball away, however after half time and some positive words from Miss Galloso and Mrs Cartwright, the girls started to build in confidence and dominate the play. It was 0-0 until the last 10 seconds where a simple lapse in concentration meant that Hall Grove sneaked in a goal.</p> <p>A positive start with much to look forward to.</p>
