Captain: Amelia Flower		
<p>Our first match of the season was against Hall Grove. It was a bit of a damp day and the girls coped really well with the conditions. We started the game well and had the majority of the possession. This gave us the lead at half time. We continued passing the ball well and defending strongly. This helped us to score a couple more goals giving us a good win.</p> <p>Well done. Great game.</p>
