Inspiring Confidence

## MATCH REPORT

Date of Match: Oct 13th	Sport and Opponents: Hockey v Holme Grange	Team: U9A
Result: Won 10-6	Coached by: Mr Tooze	
<p>The U9A team continued their unbeaten run with a convincing win against Holme Grange. That said, it was perhaps the least impressive performance of the season and defensively we were certainly below par. Hopefully some lessons were learnt about clearing the ball wide and not down the middle and also the need to close down attacking players as they move into the circle. Nevertheless a very good first half of the season and a lot to look forward to after half term.</p> <p>DT</p>
