

ST PIRAN'S

Inspiring Confidence

MATCH REPORT

Date of Match: 14/06/17	Opponents: St George's	Team: U10 A
Result: Won 12-9	Coached by: Mrs Cartwright	
<p>It was a glorious afternoon when the U10A's travelled to St George's Windsor for their rounders' fixture. The girls were focused and determined to stay switched on, after last week's fixture where this was an issue. We started fielding and instantly impressed with excellent movement towards the ball to attempt to make a catch and superb communication between backstop and bowler. St George's did not make many connections of the ball which enabled us to keep the score down to three. During our first batting innings we managed to score seven and a half rounders, due to some good hitting and brave, although sometimes terrifying, running. The second half painted a very different picture with St George's finding their batting form and make some exceptional hits to score some very good rounders. We also had lapses in concentration which meant that some easy rounders were scored. Going into the second batting innings we knew we needed two rounders to win the game. After 18 of the 27 balls we had only scored half so it was looking like St George's might steal the game. The girls rallied together and managed to take some risks and make it to second base to start chipping away, eventually increasing our score by four and half, to take the game.</p> <p>A good team performance all round, with every player making contributions to the score or to stop the opposition, well done.</p>
