

### MATCH REPORT

Date of Match: 14.3.18	Sport and Opponents: Rugby v Hampton Prep	Team: U11B
Result: Lost 9-7	Coached by: Mr. Dale	
<p>Again despite the numerous changes due to illness and injury, this was an evenly contested match. With good support for the ball carrier, the team passed the ball well and looked to offload in the tackle where they had the chance, managing to recycle the ball. We scored some good tries from several phases of play.</p> <p>In the first half some of our defensive shape let us down and we gave away a few tries from a few lapses in concentration at the breakdown and missed tackles.</p> <p>In the second half at one point we were leading by 2 tries but again a couple of missed tackles lead to Hampton Prep levelling the scores and with the momentum in their favour, Hampton Prep went on to score 2 more tries right at the end to come away with the win.</p> <p>Mr. Dale</p>
