MATCH REPORT

Date of Match: Wednesday 14th June	Sport and Opponents: Cricket vs St Andrew's	Team: Colts B
Result: Lost by 4 wickets	Coached by: Mr M SMITH	
<p>Having won the toss the boys set about setting a decent total to defend and we started positively through Jake Reeve and Harrison Richards. Sadly wickets fell at regular intervals through some poor shot selection and naïve running between the wickets and although the run rate was at nearly 5 runs an over we struggled to bat out our allotted 20 overs. Jake Reeve was very effective again at hitting the bad ball to the boundary but must learn that it is not always his call when running between the wickets.</p> <p>Having to defend just 100 runs we sadly bowled too many wides and allowed the pressure to ease off the batsmen. A number of boys did bowl accurately but Holme Grange reached their total with 4 overs left.</p>
