| Result: LOST 20-13½ | Coached by: Mrs Holmes | |
| <p>We knew it was going to be a tough game against Bedford and we had to travel a long way to get there. We lost the toss and had to bat first. The girls tried hard to play the long game and not get out but Bedford had an excellent fielding set up and we just couldn't score much. Then unfortunately some of our big hitters started getting frustrated and made bad decisions, resulting in them getting out and it started going downhill. The opposition stayed focused throughout and got us down to two batters and we struggled to score then as the girls were just trying to get round and stay in.</p> <p>When fielding, we made some terrible mistakes dropping catches and showing poor misfielding, so it let Bedford score unnecessarily. They soon found their feet and were into the swing of things and scoring lots of rounders.</p> <p>It was then St Piran's turn to bat again. Once again the Bedford girls fielded well and St Piran's really struggled to score. We couldn't reach the high target they set us and Bedford did not have to bat again. It was a tough lesson for the girls as it really showed that you can't make any mistakes against good teams and hopefully they will continue to improve and develop their game and get other opportunities like this in the future.</p> | | |
