<p>On a beautifully sunny March day the U10s travelled to Bishopsgate for a local tournament. The group games started well with a convincing win over Bishopsgate B team, followed by wins against Upton House, Ripley Court and Claires Court. The U10As finished top of their group scoring 24 goals and not conceding any, showcasing the incredible defence and ability to move the ball towards the goal.</p> <p>In the semi-finals they faced Daneshill but very quickly established their dominance and eventually went on to win 11-1 with some exceptional passages of play.</p> <p>The final was against Bishopsgate A team and the girls knew it would be their toughest match. In the first half it went goal for goal but in the second half St Piran's took to the court to get the win and managed to push in front to eventually win 4-2.</p> <p>As always many coaches commented on their athleticism, versatility and fluency on the court which is always lovely to hear.</p> <p>With 39 goals scored and only 3 conceding the team can feel pretty pleased with their performance.</p> <p>Mrs Cartwright's Player of the Tournament: Sasha Rycroft</p>
