<p>The final game of the amazing season for the U11 A hockey team saw the girls record yet another convincing victory over the Oratory School. Although going behind, against the run of play, the girls quickly established complete control of the game and scored 5 excellent goals. Once again the standard of play was outstanding and it has been such a pleasure to watch these girls play all season. Very well done to all of you.</p> <p>DT</p>
