

ST PIRAN'S

Inspiring Confidence

Our week in Reception: 15th-19th May 2017

Personal, Social and Emotional Development	Communication and Language
Our thought of the week is 'trying to do our best'.	We will be encouraging the children to find out a fact about an animal they might find at the Zoo and share it with the class.
Physical Development	Literacy
We will be consolidating all of the letters we have learnt so far. We will be continuing to form some capital letters correctly. We will be continuing to practise writing our full name independently.	We will be making a class book based on Rod Campbell's story 'Dear Zoo'. We will be making a lift the flap book to enjoy as a class.
Mathematics	Understanding of the World
We will be continuing to learn how to use number lines to help us answer word problems.	We will be looking at Rainforest Animals in preparation for our trip to Marwell Zoo.
Expressive Arts and Design	Parent Information
During Art, we will be creating giant rainforest flowers.	<p>We would be very grateful if any parent volunteers for our Marwell Zoo trip, could kindly sign up on our parent boards. The trip will be on Thursday 25th May.</p> <p>Please look very smart for our class photographs on Thursday 18th May.</p> <p>Could all children please prepare a fact about their favourite animal they may find at the zoo to share with the class.</p>
