MATCH REPORT

Date of Match: 16/06/17	Opponents: St George's	Team: U8A
Result: Won 8-5	Coached by: Mrs Robertson	
<p>The girls played very well against St George's and showed excellent skill and focus. We batted first and put lots of pressure on St George's. The whole team hit the ball well and show good potential. When we fielded, the girls looked much stronger, with excellent movement towards the ball to attempt to make a catch and superb teamwork between backstop and bowler. Overall the girls played very well in just one innings and I look forward to them developing as a team.</p> <p>Well done girls.</p>
