Date of Match: 16.3.18	Sport and Opponents: Bishopsgate Netball Tournament	Team: U8A&B
Result:		Coached by: Mrs Holmes
<p>On Friday the U8A and B team were very excited about playing in the Bishopsgate Netball tournament. There were 10 teams at the tournament and they were split into 2 groups. In the group stages both the St Piran's teams played really well and a special mention has to go to the B team who were playing mainly A teams and they won all of their matches except 1 which they only lost by a goal. The A team were winners of their group so it then meant in the semi final that the A team played the B team. All the girls played really well and on this occasion the As won the match, so they were into the final and the Bs had another match to see who came 3rd or 4th.</p> <p>In the final the As played Bishopsgate. It took them a little bit of time to find their rhythm but eventually they were linking play together nicely and scoring some good goals, winning the final 6-0.</p> <p>The B team had a very tough 3rd and 4th play-off against Daneshill A team. The girls seemed a bit tired and unfortunately lost. However they should be extremely proud of what they achieved - 4th place at an A team tournament.</p> <p>All the girls have had a fantastic season and should be thrilled with the standard of netball they have played. As we are at the end of the season at school it would be great to see some of these young netballers join some local clubs so as their netball can continue to grow. A few of the local clubs that you might be interested in are Eagles, The Magnet or Woolley.</p> <p>Katie Holmes</p>
