MATCH REPORT

Date of Match: 16/05/2017	Opponents: IAPS ROUNDERS 2 ND ROUND VS Holme Grange	Team: Colts A
Result: Won 10 ½ – 8	Coached by: Mrs Holmes	
<p>The girls were really looking forward to their first match of the IAPS rounders competition. This was the second round of the event as we had a bye in the first round. We were up against Holme Grange and the girls were looking forward to the challenge. We won the toss and chose to field first. All the girls worked really hard when fielding and made the right decisions and some good catches. This really limited Holme Grange's scoring and they only managed to score 3 ½ before we had got them all out. It was then our turn to bat we played a steady game and managed to gain lots of half rounders and a few full rounders. We did make a few silly mistakes and have learnt that only to risk it when necessary. The girls scored 10 ½.</p> <p>It was then Holme Grange's turn to bat again. Once again the St Piran's girls fielded well and they really struggled to score. In this innings they scored 4 ½ rounders before we had got them out, this gave them a total of 8. This then meant that St Piran's didn't need to bat again as they had won the fixture. A great result and on to the 3rd round.</p> <p>Batter and Fielder of the Match goes to Marta Mirone.</p>
