

MATCH REPORT

Date of Match: 16.6.17	Sport and Opponents: Cricket vs Bishopsgate	Team: Under 9C
Result: Bishopsgate 234 St. Pirans 267 Won by 33 runs	Coached by: Mr. Dale	
<p>A good performance from the U9C team.</p> <p>The difference between the two teams was the ability to hit the ball and score runs as well as hit it to the boundary. Bishopsgate batted first and struggled to score runs from the wider deliveries. Wickets tumbled with good catches in the field and at times some good bowling.</p> <p>When batting we hit the ball well and if the team could not score boundaries they ran well between the wickets running some good singles. Even losing a few wickets we were always still ahead of the run chase and we finished comfortable winners.</p> <p>One thing they must do now is try to concentrate more in the field for the duration of the innings, but as it was a very hot afternoon that day I will give the team the benefit of the doubt.</p> <p>Well done!</p> <p>Mr. Dale</p>
