Inspiring Confidence

## MATCH REPORT

Date of Match: Friday 16 <sup>th</sup> June	Sport and Opponents: Cricket v St. Andrew's	Team: U8B
Result: 280 v 246 – Won by 34 runs	Coached by: Mr Robinson	
<p>A very hot afternoon at St. Andrew's meant that concentration in the heat was going to be a big factor. We batted first and gave a good performance, considering that there were a lot of wide balls that were unplayable. We only dropped 3 wickets and finished with a score of 80 runs.</p> <p>Our bowling was reasonably strong again this week, although 24 wides from our 80 balls is still something that we need to tighten up on. 5 wickets helped us to reduce this somewhat, and keep St. Andrew's to only 46 runs.</p> <p>Well done, boys; keep practising that bowling – repetition and consistency!</p>
