Inspiring Confidence

MATCH REPORT

Date of Match: Wednesday 15 th November 2017	Sport and Opponents: Football v Ludgrove	Team: U11C
Result: Lost 7-3	Coached by: Mr Robinson	
<p>Another tough set of opposition this afternoon, but once again the boys fought hard from beginning to end. Paddy and Adi got a goal a piece up front and we managed to only concede three from a very good attacking team, with excellent work from Xander and Jamie in defence and Ben in goal.</p> <p>The second half saw the opposition really push against us with the slope in the advantage, which made it difficult to keep wave after wave of attack at bay. We did have some good moments of attacking play again though, and Paddy was rewarded with his second of the match.</p> <p>Boys, it has been a tough season against some excellent opposition, but the drive and determination has never left you and the improvement as a team has been immense. Well done!</p>
