## MATCH REPORT

Date of Match: Friday 17 <sup>th</sup> November 2017	Sport and Opponents: Football v Bishopsgate	Team: U8 Red
Result: Won 1-0	Coached by: Mr Robinson	
<p>George's move up to the A team meant we had lost our most prolific goalscorer of the season, and this certainly showed. We had an afternoon of many chances, only one of which we managed to capitalise on, late in the second half with a goal from Oliver.</p> <p>Joseph and Damola held the defence firm for the entirety of the game, which made Samuel's job in goal much easier. The general passing and movement of the team has been the biggest improvement of the season and we certainly deserved the win, but could have come away with a lot more goals.</p> <p>Well done, boys; you have worked really hard this season!</p>
