<p>The first competitive match this term and the boys looked ready and focused, but as soon as the whistle went, the opposition went running straight through our line unchallenged without a tackle and all our boys stood looking at each other. I thought it was going to be a very one sided game and a very long afternoon. We had a quick chat, got the morale up and suddenly our boys started playing and they were all a credit to St Piran's. 4-1 down at half time but we started strongly going downhill in the second half pulling the score back to 4-3 within minutes. However, Lambrook stepped up a gear and our boys were tiring towards the end, but they never gave up.</p> <p>Man of the match: Sandy Reeve Tackle of the game: Daniel Willings Well done, boys; great effort.</p> <p>SB</p>
