

MATCH REPORT

Date of Match 17/01/2018	Sport and Opponents Wellington Netball Tournament	Team U11A
Result Won 7 Matches Winners of the Tournament		Coached by Mrs Holmes
<p>All the girls were very excited about going to Wellington for the netball tournament. They were really impressed with the school when we pulled up and couldn't believe how big it was.</p> <p>It was a very chilly afternoon so I had to encourage the girls to ensure they kept warm. We started our matches in the group stage well winning them convincingly and limiting the opposition's chances to score; these were against Holme Grange, Danes Hill, Highfield and Hall Grove. Our toughest match was against Yateley Manor. This was a very physical match and we didn't really play our game. However we kept strong and managed to win by 1 goal.</p> <p>This then meant that we won our group and played the runners up of the other pool which were Bishopsgate. This was a really nice match and both teams played well. We managed to make a few good interceptions giving us the lead. The final score was 6-4 to us.</p> <p>In the final we were up against the Marist. We started the match strongly and took the lead, however we then made a few unforced errors which let the opposition creep back into the game. In the second half we refocused which enabled us to take the victory.</p> <p>The girls were also so very privileged to meet England netball players Pamela Cooky, Sophia Candappa and Amy Flanagan, who all liked our tweet.</p> <p>Well done girls, a great result and excellent behaviour from you all.</p>
