<p>All the girls were very excited about their first competitive match of the season against Hall Grove. They were also very lucky to be playing inside which the girls seemed very happy about.</p> <p>The first team to play was the U11Cs. This match was very competitive and both sides were playing some lovely netball. The passing up the court was strong and the girls were getting into space. Both teams had lots of opportunities to score but were struggling to get the ball in the net. It was a very even game and the score reflects this. Well done.</p> <p>Girl of the game: Yana Kershaw</p> <p>Next up to play was the U11Bs. Again the standard of play was brilliant with some lovely passing and movement up the court. In this match we had slightly more possession and seemed the stronger team. The girls still needed to work hard and some good shooting enabled us to take the lead. Superb game.</p> <p>Finally it was the U11As match and we knew that this would be very competitive with all the players playing plenty of netball outside of school. It was a very even match and the score reflected this at half time with it being 8 all. The standard of play was extremely high and at half time we made some tactical changes and this paid off. We managed to make numerous turnovers in the second half enabling us to take a comfortable lead. Well done, a great game.</p> <p>Girl of the Game: Caitlin Haslehurst</p>
