Inspiring Confidence

MATCH REPORT

Date of Match: Wednesday 17 th January	Sport and Opponents: Rugby v St Andrews and Lambrook	Team: U10A
Result: St As – Lost 2-1 Lam – Drew 2-2	Coached by: Mr Robinson	
<p>The match against St. Andrew's was a game where we were able to work on our attacking skills, mainly because we spent the majority of the time attacking. St Andrew's managed to get the first try, however, from a breakaway in defence and some missed tackles from us.</p> <p>We came back from this strongly and continued to dominate, pushing very hard at the opposition's try line before we were finally rewarded with a try from John, pushing his way over.</p> <p>The second half was more of the same, and unfortunately we again allowed St. Andrew's space for one attack with a couple of missed tackles and we could just not get over for the equaliser. A lesson about defence being as important as attack.</p> <p>The match against Lambrook was a tough affair with hard tackling and good competitive rucking from both teams. This was a chance to work on the all-round game and proved great for us. Defensively, we were less alert in the first half and were 1-0 down at half time, but the boys went out for the second half with more confidence.</p> <p>A quick try, from John, aided by the whole team's attacking play, got us back in the game; but it took Lambrook's second try to really switch us on defensively. Then we began to defend as hard as we attacked and Lambrook couldn't cope with this and we were finally rewarded with another try, John's third of the afternoon.</p> <p>A great team effort for the whole afternoon; well done, boys!</p>
