<p><b>Date of Match</b> Wednesday 18<sup>th</sup> January 2017</p>	<p><b>Sport and Opponents</b> Netball V Hall Grove (H)</p>	<p><b>Team</b> U11B</p>
<p><b>Result</b> Lost 7 - 1</p>		<p><b>Coached by</b> Mrs. J. Fricker</p>
<p>The score does not reflect the percentage of possession we had, which was fairly even. Hall Grove were slick once in attack and were very good at reading our passes and intercepting the ball. The score was 4-0 half way through and we tried to address our short comings. We started to mark more effectively and made some effort to drive into more space, away from the long arms of our opponents! We managed to feed the ball into our shooting circle more often in the second two quarters. Kiran Singh finally scored and we hoped this would be one of many. We did have several shooting opportunities but unfortunately accuracy eluded us. As usual, St. Piran's girls were supportive of each other and worked hard. Well done to Olivia Wooldridge and Poppy Shepherd, who tried hard to defend the competent Hall Grove shooters!</p> <p>Captain: Kiran Singh Girl of the Game: Olivia Wooldridge</p>
