<p>The boys were really unlucky as the second half they actually dominated and only conceded the second goal (last kick off the game) as they were pushing for the equaliser. Unfortunately we didn't make our possession count and not really threaten their goal enough with decent shots. We defended and passed the ball well. The clearances got better as the game went on. Man of the match Johnathan Ireland played really well but also marked their best player comfortably. Overall, unlucky, but great spirit and energy definitely the fitter side. Well done!</p>
