MATCH REPORT

Date of Match 18/10/2017	Sport and Opponents Hockey vs Yateley Manor	Team U10A
Result WON 3-0	Coached by Mrs Robertson	
<p>From the moment the game started St Piran's girls were on top. The defence was very strong and was making it difficult for Yateley to get near the goal and any time they did the goalkeeper made important and difficult saves. The girls were looking up before they passed, which meant St Piran's had the majority of possession and got into the D on many occasions. The three goals scored by the St Piran's team were brilliant.</p> <p>It was an easy win for St Piran's and they were the better side. I was very happy with the girls for looking up before passed as this is what we worked on during training.</p> <p>Well done team!</p>
