<p>Playing against other schools' A teams was always going to be a tough ask for the St Piran's C team but I was so proud of their commitment, skill and tenacity to compete so well against both schools. Before the matches we discussed the importance of everybody making tackles for the team and the boys certainly delivered. Oliver Wright was very good with ball in hand scoring 4 tries in the afternoon and James Saxon and Peter Richards scored the other tries. There were some key areas to work on for the next match but this was a good afternoon that I really enjoyed watching and I hope the boys enjoyed playing in.</p>
