<p>This was a successful afternoon and the girls deserved their win. St. Piran's had most possession and there were several spells of strong consecutive passes, from the defending third, to the goal circle. St. Piran's were able to feed the ball in to the circle competently. The movement into space was good in all areas of the court and the team did quite well marking their opponents. Olivia Davies (G.D.) defended very well and Evie Bannatyne (C) moved nicely into space, always giving her team a receiving option. Holly Saunders scored all of our goals. A great team effort and a good start to the season.</p> <p>Captain: Holly Saunders.</p>
