Date of Match: 20.1.17	Sport and Opponents: Rugby v St. George's	Team: U8A
Result: Drew 12-12	Coached by: Mr. Dale	
<p>Well done to the U8A team. In their first competitive fixture as the result showed this was a very close and competitive game with parents of both teams commenting on how well the game flowed.</p> <p>The boys demonstrated good examples of basic skills and understanding of the game of tag rugby. With good support and attacking play from all boys, the tries were shared amongst the team. In defence we managed to nearly turn over the ball on occasions.</p> <p>There is still a long way to go and tougher fixtures to come but the boys have set a good standard and platform to build upon.</p> <p>Mr. Dale</p>
