

MATCH REPORT

Date of Match Friday 20th January	Sport and Opponents Netball V Bishopsgate (A)	Team U8C
Result Lost 4-0	Coached by Mrs. J. Fricker	
<p>This was the second match against Bishopsgate. The first was at the start of December when the girls had very little experience of netball and we lost 7-0. This time the girls had a better level of skill and understanding of the game. We still needed to sprint into the space; however there were more spells of consecutive passes and more opportunities to shoot. Most of the girls improved their man-to-man marking. We do need to practise shooting and to establish the most appropriate positions for all our team members. St. Piran's C's should be proud of the improvements that they have made so far.</p> <p>Captain: Phoebe Stebbings Girl of the Game: Tommy Browning (GK)</p>
