<b>Date of Match</b> 20/01/2017	<b>Sport and Opponents</b> Netball vs Bishopsgate	<b>Team</b> U9B
<b>Result</b> WON 3-2		<b>Coached by</b> Mrs Robertson
<p>What a game! Well done to the U9B team, the only team to win against Bishopsgate on Friday. This was through hard work and intelligent netball, listening to advice and putting everything they had into the match. Bishopsgate had more shots on goal in total but our defenders Georgina Thatcher, Amy Clarke and Charlotte O'Neill made it very difficult for them. Well done to our centre court players Gabby Hill and Calista Walker who made some excellent interceptions and passes around the court. And finally a big shout out to the shooters Olivia Carter and Jessica Clayton who worked together nicely in the D and scored goals under pressure. Overall a great win and performance from the team!</p> <p><b>Captain:</b> Olivia Carter <b>Coaches Player of the Match:</b> Gabby Hill and Calista Walker</p>
