

What is happening in Year 1? 20th Mar - 24th Mar

Literacy:

The sound this week is 'ea' as in pea.

We will be writing our own stories.
As well as, reading and beginning to understand the Easter Story.

Topic:

Science: This week we will continue with our Spring focus.

History: We will continue examining all the old toys brought in from home.

Geography: We will be studying the United Kingdom.

General News:

Please can 1AB and 1W bring in a favourite soft toy / teddy on Monday.

(1A will keep theirs in school for the different activity all of Year 1 will be doing).

The children are really enjoying the 'old' toys that have been brought in from home.

Please continue to bring these in, to share with the children. Thank you!

Children can still bring in anything 'Spring' related from home.

As the weather gets a little warmer, please ensure your child has a named drink bottle (containing water only) into school.

Have a lovely weekend.

Numeracy:

This week we will be looking at halves and quarters.
