

ST PIRAN'S

Inspiring Confidence

IAPS Trampolining Championships 2017

Saturday 20th May at Royal Russell School - Croydon

St. Piran's entered 24 children this year and we had some excellent results.

Ben Phillips and Luke Harden from Year 6, have competed on several occasions for the school and it was nice that they did so well in their last competition. The U11Boys Team result was Millfield 1st St. Piran's 2nd and the Grange 3rd. The U11 girls had 73 in their group and the 'A' Team performed their routines consistently well and should be proud of their team position of 8th place out of 19 teams. The U11 age groups have many competitors who will be training several times a week at Trampoline Clubs. Two U9 girl's teams competed again this year and Georgina Cooper was rewarded for her hard work by gaining 5th plac out of 42 girls. The U9 Team gold was achieved by Lambrook, silver by Royal Russell School and St. Piran's gained bronze. U9 boys held their nerve and only John Caen was experienced in trampoline competitions. It was lovely to come away with medals.
