

## MATCH REPORT

Date of Match: 21.6.17	Sport and Opponents: Cricket v St. Neot's	Team: U11A
Result: <b>15 over match</b> St. Pirans 100-8 (15 overs) St. Neots 103-2 (11 overs) Lost by 6 wickets		Coached by: Mr. Dale
<p>On the warmest day of the year the match was reduced to 15 overs per side. St. Piran's started off batting sensibly for the first few overs running good singles and hitting the ball well. Then wickets constantly tumbled. Not being able to defend a straight ball playing across the line were the causes.</p> <p>Jack Leftley opening the batting was the pick of the batsman with 41 not out. After the tumble in came Jake Reeve at No. 5 who steadied the ship and also batted well and the pair put on a good partnership. Simon Ormond and Alexander Moore at the end of the innings contributed with a few more runs and St. Pirans scored 100 runs.</p> <p>In the field a combination of pitching the ball too short when bowling and some sloppy fielding at times was our down fall. Despite a respectable score from St. Piran's, too many runs conceded form boundaries proved costly and St. Neot's managed to reach our total comfortably in the 11<sup>th</sup> over. With their opening pair both retiring on 37 and 42 not out.</p> <p>For improvement next week the bowlers need to work on their length when bowling.</p> <p>J. Leftley 41 Not out (retired)          J. Reeve 19 Not out          S. Ormond 11</p> <p>Mr. Dale</p>
