<p>On a very hot day our boys performed really well only to be let down by some very poor decision making. Five times we were run out, as boys failed to communicate or ran when there was no chance of getting both players in. On top of this the opposition gave us 16 points through wides or no balls, where we gave them 34 points. Positives though were Ben Doubleday and Gabriel Singh bowled extremely well both taking wickets and not giving any runs away. Freddie and Ethan had the best batting partnership scoring 22. Though Ben Doubleday had the most 4's. The last pair went into bat needing 7 of the last 12 balls but unfortunately only managed to score 1. Over all a good display, the boys on the whole behaved really well and were excellent in the conditions. Thank you to Mrs Doubleday for her support and cheerleading skills. Well done boys; you certainly didn't deserve to lose.  SB</p>
