

ST PIRAN'S

Inspiring Confidence

MATCH REPORT

Date of Match: 21/06/17	Opponents: St Piran's Tournament	Team: U11A
Result: 2ND Overall	Coached by: Mrs Robertson	
<p>The U11As played well the majority of the tournament. Their first match was against Daneshill A so they started with their toughest match. Unfortunately Daneshill outplayed them and hit the ball more consecutively and fielded better. The team did improve as the tournament went on and they didn't lose a match other than that. The girls scored some good rounders and can see they enjoy playing as a team. It has been a pleasure to coach them and I hope they go on enjoying their rounders at their secondary school.</p> <p>Well done girls.</p>
