<p>It was a very hot afternoon and the girls were looking forward to our home tournament. It was a round robin event meaning the girls had to play five matches and whichever team had the most points at the end would win. Our first match was against Daneshill we won the toss so fielded first. The girls were very good at fielding and managed to limit Daneshill's scoring to 4 ½ . In our battings innings we were connecting with ball and managing to score. We scored 6 rounders, a good win to start.</p> <p>The 2 next matches were against Rupert House and Daneshill B again we won the toss and fielded strong limiting the opponents score. Our batting was strong in these games giving us comfortable victories.</p> <p>Our 4<sup>th</sup> match was against The Abbey this game was a lot closer and luckily for St Piran's the girls made some good fielding decisions and The Abbey struggled to score. It was still very close when it was our turn to bat and to start with we were struggling to connect with the ball. We made some good connections in the last ten balls and managed to secure another victory.</p> <p>A great afternoon, well done.</p>
