<b>Date of Match</b> 21/02/2018	<b>Sport and Opponents</b> Netball vs Hoe Bridge	<b>Team</b> U11B
<b>Result</b> Lost 5-11		<b>Coached by</b> Mrs Robertson
<p>We knew it would be a tough game against Hoe Bridge as they are always strong. However, the girls wanted to work hard and get a win from the match. Our defence was strong throughout and they made some great interceptions; a special mention to Ruby Mathews and Yana Kershaw who made the most interceptions I have ever seen from them. Honor Hardiman played GD and was against their best player, she was strong and moved effortlessly around the court. Honor worked extremely hard to keep up with her. Unfortunately we missed a few shots at the start of the match and then Hoe Bridge went on to score first. The girls need to work on holding their space and then moving into position, as we often moved too early and then found it difficult to get free into another space. In the second quarter the girls must have fallen asleep because Hoe Bridge just got away from us and scored 7 goals in just that one quarter, this then made it difficult to come back from. St Piran's tried hard to mess in the last two quarters and Hoe Bridge only scored 2 goals and St Piran's even won the last quarter 1-0.</p>
