Inspiring Confidence

MATCH REPORT

Date of Match 22/09/17	Sport and Opponents Hockey vs Holme Grange	Team U8C
Result WON 6-1	Coached by Mrs Cartwright	
<p>This was a fantastic first fixture for the U8C team. From the start of the game, the girls were dominant, showing good stick skills and confidence on the ball. Each player was fully involved in the game and made contributions through their excellent dribbling or defending. It was a fun and friendly game, where we were able to learn and apply a few new rules. The improvement this team has made in a short space of time is incredible and they should be pleased with their first fixture of the year. Well done.</p> <p>Girl of the Game: Florence Good</p>
