Date of Match 23/11/16	Sport and Opponents Netball vs St George's	Team U11A
Result LOST 12-17		Coached by Mrs Robertson
<p>This was the first fixture of the season and it was a tough one! It was an even match with the ball moving around the court extremely quickly and with excellent movement and interceptions. Both teams had an amazing shooters who hardly missed a shot. St Piran's really worked hard throughout the match and the score doesn't reflect how close the game actually was.</p> <p>Well done to the defenders who constantly put pressure on their opponents making it difficult for them to pass and move. The centre court players made excellent movement off the ball and created space and finally the shooters who worked together nicely and made shots in pressured situations. Overall St George's started the match better so got a good lead from the whistle and made fewer mistakes in centre court by passing to their players away from the defenders, which is hopefully something our girls can learn from and improve.</p> <p>It was an exciting game to start the season and I hope the girls have learnt something from the match to make them stronger for the season ahead.</p> <p>Captain: Marta Mirone Coach's Player of the Match: Marta Mirone</p>
