MATCH REPORT

Date of Match: 23rd January 2018	Sport and Opponents: Netball v Chesham Prep	Team: U8B
Result: Won 4-1	Coached by: Mrs Robertson	
<p>The fixture against Chesham Prep on a Tuesday Games lesson usually makes me nervous, as they are normally tough matches. Yesterday was no exception. However once the game got started I realised I had nothing to worry about. St Piran's were well ahead in knowledge and skill. We were able to move the ball up the court fluidly and had many attempts at scoring. Overall the girls played well and tried hard to do the correct footwork and marking and the ball was in our half the majority of the game.</p> <p>Great work, girls.</p> <p>Player of the match: Meribelle Hayward Coaches Player of the match: Meribelle Hayward</p>
