<p>Another COLD afternoon of netball. But what a set of results for the U8B team!! The whole afternoon the ball went into our defending end only twice. The girls got a lot of game play and got to experience different positions, as it was a high 5 tournament. Unfortunately the way our matches were, we played each game back to back with no time in between to coach, but other than that it was a great afternoon.</p> <p>Well played to the whole team, everyone shined at different points and it was nice to see everyone have a go at shooting. The girls listen to instructions, try hard, pass well and defend with enthusiasm so it is a real pleasure to coach them.</p> <p>Well played girls!</p>
