MATCH REPORT

Date of Match: 23/06/2017	Opponents: VS The Oratory	Team: U8A
Result: Won 15-8	Coached by: Mrs Robertson and Mrs Holmes	
<p>The U8 As have been playing really well in rounders and are yet to lose a match. This week the opposition was the Oratory. St Piran's won the toss and choose to field first. They played really well and made it very difficult for the opposition to score limiting them to 2 ½ in their first innings. It was then our turn to bat. The girls struck the ball really well and every player managed to score in the first innings we scored 10. The St Piran's team continued with some great throwing and catching and managed to limit the scoring, in total The Oratory scored 8. It was then our final turn to bat and again we were connecting with the ball nicely, the Oratory's fielding was tighter so they limited our scoring to 5, giving us a total of 15. A great win, well done girls.</p> <p>Fielder of the game: Freya Viollet</p> <p>Batter of the game: Maria Llamazares</p>
