

MATCH REPORT

Date of Match Wednesday 23rd November	Sport and Opponents Netball v St. George's (A)	Team U11 B
Result Lost 8 - 2		Coached by Mrs. J. Fricker
<p>This was the first netball match of the season for St. Piran's and the girls had only had one netball lesson. St. George's had played since September, so it was certainly going to be a challenge. We also had subs to change in, which did disrupt the continuity of our game. St. Piran's were a little rusty and St. George's benefited from a fantastic shooter. However, the girls rallied and towards the end of the game there was a flurry of confidence when Alice Stevenson scored our first goal. The game highlighted the skills we need to develop and the most appropriate positions for our team members. It was most encouraging to see that the girls are committed and will aim to do their best in future fixtures.</p> <p>Captain: Erin Williams</p>
