| RESULT: WON 122 V 92 | | Coached by: AB |

This was a great gala and it was nice to see our young swimmers start the year so strongly. It was the first competitive gala for Year 3's and they performed really well and showed confidence and enjoyment and won in style!

We won 12 out of 16 individual races and 3 out of 4 relays. The Year 4 boys were in good form and it was lovely to see them support the younger swimmers. Everyone can be proud of their effort and performance on the day.

Best swims on the night were by Toby Shedden in his front crawl races and Joe Carter and Tristan Hamilton who swam the 4 x 25m individual medley. Will Andrew swam 25m butterfly for the first time and Ollie Wright swam in his first gala for St. Piran's. Well done boys! All our Year 3 swimmers did well, huge congratulations to them.

The star of the afternoon (apart from our swimmers!!) was our Year 6 Swimming Captain, Zac Lloyd, who looked after the younger swimmers. He supported and encouraged throughout and was an extremely good role model and ambassador for St. Piran's.

Thank you as well to all our parents for coming along to watch and cheer everyone on and to Mr. Smith for helping organise on poolside.
