<p>It was a nice afternoon of hockey for the Year 4 girls. The team played 5 matches, 8 minutes one way. We scored 11 goals, conceded 1 and won all our matches, so it was a comfortable victory for the U9B team.</p> <p>The girls played extremely well, they all knew their roles well and were hungry to win. Willow Martin and Trixie Lamb worked hard in defence and Willow was able to make crucial tackles and then take the ball up the wing and cross the ball well into the D, which was excellent to watch. Navika Mehta and Tommy Browning played in midfield and showed excellent skill on the ball, using their skills to take it round many players. Lucie Read, Hannah Hocking and Pheobe Stebbings all played as attackers and they made good runs off the ball and around the D.</p> <p>It was a lovely afternoon, the girls seemed to enjoy playing and all tried hard. To come away with medals each and trophy was fantastic.</p> <p>Good work girls!</p>
