Friday 24th February 2017	Netball V Holme Grange (H)	U8C

Result	Coached by
Won 4-2	Mrs. J. Fricker

St Piran's and Holme Grange girls improved their play throughout the match. There were not any goals scored by either teams in the first quarter. We moved a couple of players into different positions, which was beneficial and our new shooting partnership of Nikita Johnson and Trixie Lamb, worked well. By half time we were 3-0 up. Holme Grange then scored 2 goals in the 3rd quarter and at 3-2 we had to ensure another goal. St. Piran's certainly had most of the possession and we able to drive into space and link passes together effectively. The girls were also quick to pick up any loose balls. Trixie scored our winning goal, much to our relief. Romilly Bains (GK) and Ruby Agar (GD) were beginning to develop a mutual understanding in defence. Kara Lim and Juno Browning improved their attacking play. Phoebe Stebbings(C) was alert and worked hard to drive into space, providing good support in all areas of the court. St. Piran's were happy and proud of their achievement.

A great match girls- well done!
