

## MATCH REPORT

Date of Match 25/1/2017	Sport and Opponents Netball vs Yateley Manor Tournament	Team U10A
Result Runners Up		Coached by Mrs Holmes
<p>On a very cold afternoon we took the U10A to the Yateley Manor Netball tournament. There were 17 teams at the tournament. In our group we played The Marist, Rupert House, Daneshill and The Abbey. We played some lovely netball against these schools and worked well as a team. Our defence managed to turn the ball and our shooters converted these interceptions into goals. We won all of our group matches.</p> <p>We then went on to play The Dolphin in the semi-final. Again we continued with our good standard of play which resulted in a brilliant victory.</p> <p>In the final we were up against the host school. Our basic skills and play were great; we had some unfortunate calls that didn't go in our favour and Yateley scored some fantastic goals from distance. Unfortunately it wasn't meant to be and we lost.</p> <p>Overall the girls should be really pleased with how they played and the superb quality they showed on court.</p> <p>Well done.</p>
