<p>The boys first game of soft ball pairs. We scored 145 runs, but we gave away to many runs for no balls, wides and over throws. We also didn't communicate well as batting pairs. This is all good as we have areas to practise on in our games lessons. The positives were we did strike the ball well. Well done to Findlay, Oliver, Ali & Cailan for getting wickets. Also great partnership from Findlay and Oliver who scored 54 runs for us. Overall good effort for the first match this session SB</p>
