## MATCH REPORT

Date of Match: 26th January 2018	Sport and Opponents: Netball v Holme Grange and Bishopsgate	Team: U9A
Result: VS Bishopsgate: Lost 4-2 VS Holme Grange: Won 6- 0	Coached by: Mrs Holmes	
<p>The girls seemed a bit nervous about their matches against Bishopsgate and Holme Grange, however in their first match against Holme Grange they played really well. All the girls were finding space and bringing the ball up the court nicely. The defence managed to gain a few turn overs giving us a comfortable lead. Our next game was against a very strong Bishopsgate team who had beaten us convincingly last year. The girls worked really hard but did seem to struggle to find their rhythm in the first half thus the half time score was 2-0 to Bishopsgate. At half time we made a couple of changes which seemed to improve our game and help us to get some interceptions. The second half of the match seemed very equal and this was reflected in the final score 4-2 to Bishopsgate.</p> <p>Well done girls.</p>
