

## MATCH REPORT

<b>Date of Match</b> 27/09/17	<b>Sport and Opponents</b> Hockey vs St George's Windsor	<b>Team</b> Colts B and C
<b>Result</b> Colts B Won 5-0 Colts C Won 2-0		<b>Coached by</b> Mrs Cartwright Miss Galloso

The Colts B's and C's played extremely well in this week's fixture. They were given two areas to focus on during the game, space and tackling. From the onset their defence was outstanding and both teams were starting to use the width, although limited in the sports hall, and create space.

The C's worked well as a team and scored very quickly in the game which boosted their confidence. Due to the pace of the ball in the sports hall we did find it a challenge to maintain control throughout the game. When we did, we were able to make some good passes into space and create some good chances. A goal in the second half secured the win and the teams continued pressure and fantastic defence prevented any comeback from St George's.

The B team had an excellent start to their game, scoring within the first minute and showing dominance from the start. Their use of the pitch was excellent and once they started to work as a team, they managed to use the space in semi-circle effectively to create and take their chances. They worked tirelessly throughout the game to regain possession if lost and took on board our two focus areas, listening to feedback and implementing immediately. A really promising game showing their development and understanding of the game. Well done!
